Health & Safety Hazards

-  Slippery Floors
-  Chemicals

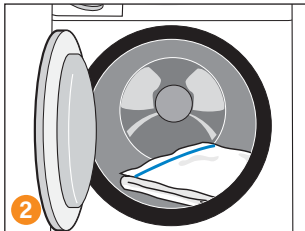

Food Safety

-  Wash and Dry Hands After Performing Task
-  Inspect Equipment - DO NOT USE IF DAMAGED

EVERY USE

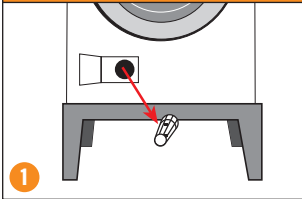

- Wipe inside glass door and rubber seal with a clean blue boarder cloth.

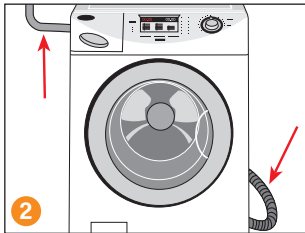

- Wipe detergent drawer if applicable.
- If next load is blue border cloths, place cloth in the machine, if not, place blue boarder cloth in dirty cloth bucket.

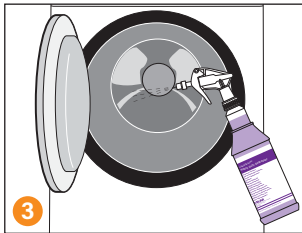

WEEKLY

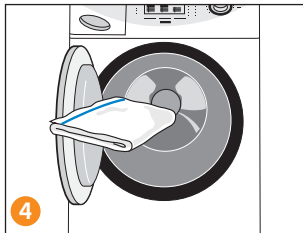

- Remove and clean the washing machine filter if applicable.

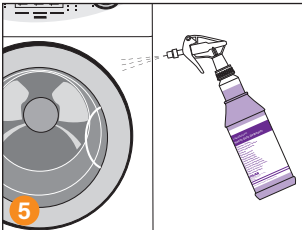

- Check water feed and drainage pipes for leaks, kinks or snags.

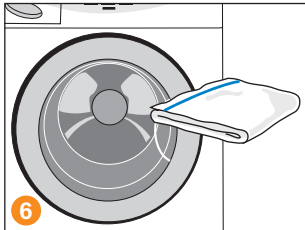

- Spray inside glass door, rubber seal and stainless steel drum with Heavy Duty Degreaser Solution.

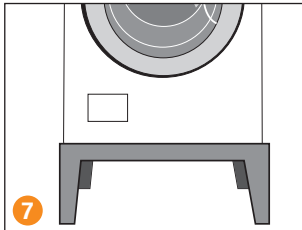

- Wipe with blue border cloth. **NOTE:** Pay particular attention to the rubber seal, as this is where grease will collect and affect the washing performance of machine.

- Spray outside body of machine with Heavy Duty Degreaser Solution.

- Wipe with blue border cloth.

- Clean area around and behind washing machine including stand and under, if applicable
