Water

Information: Please reference the “High Level cleaning” card when completing stainless cleaning at high levels.

Stainless Steel Surfaces

1

Clean out bucket with Blue Border Cloth and KAY® Heavy-Duty Degreaser then fill with clean water.

2

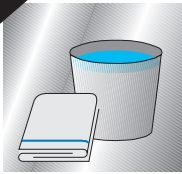

Pour a small amount (about the size of a penny) of KAY® Liquid Cleanser Plus onto a damp, clean, Blue Border Cloth.

3

Avoid using too much as this will lead to streaks.

4

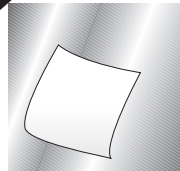

Use a damp cloth to remove Liquid Cleanser Plus. Wipe surface following the direction of the grain of steel

5

No build up in seals, hinges, etc.

6

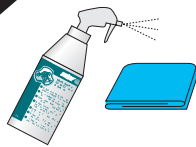

Shine with dry cloth or kitchen roll, going with the grain.

High Level

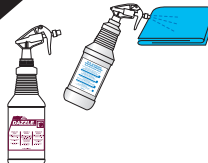

1

Spot clean and wipe down with KAY® Multi-Surface & Glass Cleaner and a Microfibre cloth.

2

Spray McD® Stainless Dressing or KAY Dazzle Cleaner & Polish onto Microfibre cloth and apply to surface

3

Do not place cleaning equipment above fryers or where it may create a trip hazard.
