Telescopic Handle

Cone(s)

Windows, Plexi Glass, Menu Boards and Wall Laminates

1

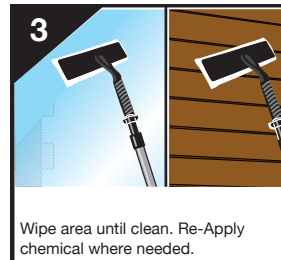

Screw mop telescopic handle onto Multi-Surface Tool handle for cleaning high areas.

2

Spray KAY Multi-Surface & Glass Cleaner onto white microfiber pad and wipe surface.

3

Wipe area until clean. Re-Apply chemical where needed.

4

For stubborn marks - Spray KAY Heavy Duty Degreaser onto Multi-Surface Tool and wipe surface. Repeat step 1.

Stainless

If surface is dirty follow step 4 first. Take a clean grey microfiber pad, spray KAY Specialty Cleaner & Polish onto the pad and apply to surface.

At least once per day and whenever the kiosks/tablets/Digital Menu Boards look dirty, follow the 2-step cleaning and sanitising procedure below:

Throughout the day and as often as possible, follow the sanitising procedure below:

Tablets/Screens/Order Kiosks/ Digital Menu Boards

1

Spray KAY Multi-Surface & Glass Cleaner onto white microfiber pad and wipe screen.

2

Take a clean white microfiber pad, spray Surface Sanitizer onto the pad and apply to screen.

1

Take a clean white microfiber pad, spray Surface Sanitizer onto the pad and apply to screen.

White Rock

1

Screw mop telescopic handle onto Multi-Surface Tool handle for cleaning high areas.

2

Spray KAY Multi-Surface & Glass Cleaner onto white microfiber pad and wipe surface. **Warning** - Do not use sprays or damp Multi-Surface Tool near electrical power supplies.

3

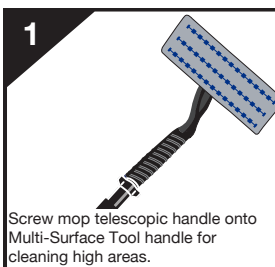

Wipe area until clean. Re-Apply chemical where needed.

Kitchen Ceiling Tiles

1

Screw mop telescopic handle onto Multi-Surface Tool handle for cleaning high areas.

2

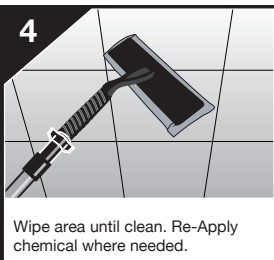

Place Wet Floor Sign on all approaches to area.

3

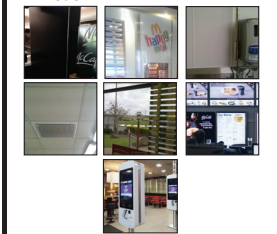

Spray KAY Heavy Duty Degreaser onto grey microfiber pad and wipe surface. **Warning** - Do not use sprays or damp Multi-Surface Tool near electrical power supplies.

4

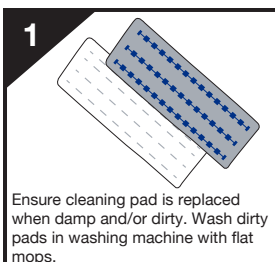

Wipe area until clean. Re-Apply chemical where needed.

All Areas

1

Ensure cleaning pad is replaced when damp and/or dirty. Wash dirty pads in washing machine with flat mops.

2

Ensure floor area is dry once finished. Complete full clean (see 'Floor Cleaning - Areas Open' card) if any degreaser has dripped onto the floor.
